

Terms and Conditions Affecting Purchase Orders Issued by Corry Manufacturing Company

1. We reserve the right to cancel orders for failure to make delivery as promised, or if material and workmanship do not meet with our specifications, or if found by us to be substandard quality.
2. Boxing, carting or minimum order change, will not be allowed unless authorized by us.
3. If price is not stated on orders, the material must not be billed at a higher price than previously billed, without obtaining our approval.
4. The seller agrees to protect and save harmless the purchaser and/or the owner from all cost, expense or damages arising out of any infringement or claim of infringement of patents in the use and/or the sale of articles covered by orders.
5. Seller agrees, in connection with the production of the articles and/or performance of the services specified herein, to comply with the requirements of Section 12(A) of the Fair Labor Standards Act of 1938, as amended. All invoices must carry your certification of compliance with said act, thereby qualifying them to be approved for payment.
6. The conditions stated in orders shall not be modified by any verbal understanding or agreement and the acceptance of orders includes all terms, prices, delivery, specifications, and conditions stated herein.
7. Subject Material, if used on government contracts, is subject to applicable provisions of said contract regarding alterations, suspensions, terminations and performance.
8. The buyer or its customer and regulatory agencies reserve the right to verify at our facility or the supplier's, that their product or service conforms to the specified requirements, purchase order and related contracts.

- ITAR NOTICE -

Many of our Corry Manufacturing Company products and related technical data are military or defense items that are controlled by the International Traffic in Arms Regulations (ITAR). Unless otherwise noted, all technical data (i.e. information such as specifications, drawings, sample parts, or defense parts that are required for the design, development, production, manufacture, assembly, operation, repair, testing, maintenance, or modification of defense articles) provided by Corry Manufacturing Company is considered to be export controlled. The U.S. Department of State, Directorate of Defense Trade Controls (DDTC), controls the export and re-export of any items and related technical data specifically designed, modified, or configured for military application through the ITAR, reference 2 CFR § 120-130.

As a valued supplier to Corry Manufacturing Company, you are required to comply with the International Traffic in Arms Regulations (ITAR) compliance procedures.

The complete International Traffic in Arms Regulations (ITAR) can be found in the U.S. Department of State, Directorate of Defense Trade Controls website at www.pmdtcc.state.gov/.

"In connection with the performance of work under this contract, the contractor agrees not to discriminate against any employee or applicant for employment because of race, color, sex, religion, national origin, protected veteran status or mental or physical disability status required by Executive Order 11246 (41 C.F.R. § 60-1.4 (a)), Section 503 of the Rehabilitation Act of 1973 (41 C.F.R. § 60-741.5) and the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (41 C.F.R. § 60-250.4)."
